JUNIOR GOLDEN GLOVES

This year's Junior Golden Gloves will be happening from July 7th through the 11th at the Credit Union of Texas Event Center in Allen, Texas. This year, the Fullmer Legacy Foundation is proud to be bringing five boxers: Star and Joshua, last year's champions, Cruz, state and regional champions, and two first time competitors. These boxers will be accompanied by Coaches Ted, Tanner, and Jesse.

This will be Tanner's first National event that he coaches, we are so excited for him!

This four-day event will be filled with victories, talent, perseverance, discipline and overwhelming amounts of support not just from coaches attending, but everyone back home cheering on these dedicated fighters.

We could not be any more proud of our boxers who put in the hours of hard work in each and every day to get to this level of competition. These young athletes will be competing with courage, strength, motivation, and pride. We are also so grateful for the fantastic coaches who helped get these boxers to this level.

Elizabeth Smart, Ron McBride, and the Smart Defense Program

The partnership with Elizabeth Smart, Ron McBride, and the Smart Defense Program has been making such a great impact with those who have been participating! This free program has been empowering middle/high school boys by teaching them important values, respect, life lessons, prevention, and self defense. It is such an honor to hold these classes.

SoJo Summerfest Open House

The SoJo Summerfest open house on June 6 was a huge success! We had so many potential boxers show interest in our programs and our mission! It was a great way to connect with our local community, build connections, and get our name out there. We would like to give a huge thank you to Kim Fullmer for the great decorations. There were opportunities to punch heavyweight bags, snacks, and a great place for neighbors to connect. We can't wait to do it again next year!
