Smart Defense at the Legacy Center

We are proud to partner with the Elizabeth Smart Foundation to bring the Smart Defense program for men to the Fullmer Legacy Center.

Founded by Elizabeth Smart after surviving her own kidnapping in 2002, the Elizabeth Smart Foundation works to prevent sexual violence through education, awareness, and empowerment. Their programs help individuals recognize unsafe situations, understand boundaries and consent, and learn how to intervene when someone may be at risk.

At the Fullmer Legacy Foundation, we believe strength goes beyond physical training. Through boxing, mentorship, and community programs, we work to build discipline, character, and responsibility in the young people we serve. Our mission is to empower underserved youth through mentorship, education, and physical wellness in a safe and supportive environment.

By hosting the Smart Defense program, the Legacy Center continues to grow as a place where our community can learn, grow stronger together, and help create safer spaces for everyone.

Fullmer Strong Fitness

We're excited to announce that Fullmer's Strong Fitness officially launches March 30th at the Fullmer's Legacy Center in South Jordan! This brand-new program is designed for adults of all ages who want a fun, high-energy way to get in shape. Fullmer's Strong Fitness is an extension of The Fullmer Brothers Boxing Club, a proud USA Boxing sanctioned gym, and helps support its mission of building strong athletes and a strong community.
